Respected Sir

The humble petitioner, Sultan ellahmood Khan Persian and Hindustani Pandit of the Maharaja's College ellysore. begs most respectfully to submit the following to your kind consideration

Your honours' obedient servant has been in the Government service for the last 18 years during which period he has served honestly to the satisfaction of his superiors In this College there are two pandits one for Sanskrit and the other for Kanarese Recently a new Pandit was appointed to assist these two Pandits But on the other hand your humble servant has to teach both Persian and Hindustani from the highest to the lowest class The consequence is that; when the other Pandits work 16 hours a week, he has to work 22 hours a week, besides not being able to finish the portions prescribed by the University as he has to teach the two languages, he is obliged every year to take some special hours during the holidays In fact he has no holidays in which he does not take special hours Moreover your humble servant held the same grade

as the Sanskrit and Kanarese Pandits up to the beginning of August 96 But- it was the beginning of the last month that they were raised to a higher grade, and your humble servant was left unnoticed notwithstanding the Seniority in service of your humble petitioner The Kanarese Pandits' service being only 7 years and the Sanskrit Pandits being 12 years, your humble servant is senior to both of them, notwithstanding the Seniority and hard work of your humble servant, unfortunately he was neglected Therefore your humble petitioner was obliged to submit this petition to the effect that he should be given the same grade as the Sanskrit and Kanarese Pandits, for which act of kindness and generosity he prays for your honours long life and prosperity

He begs to remain
Respected Sir

With reference to para 2 of the Secretary's docket No 5652 Pol (E-3) / Ed 203 dated 17th November 1896, has the honour to inform that on the 1st July 1896 the pay of the Sanskrit Munshi was Rs 34 and that of the Kannada and Hindustani Munshis Rs 31 each When the scale of pay of Pandits and Munshis was revised by Order No 1668-70 / Ed 60 dated 31 July 1896 the Sanskrit and Kannada Pandits were placed in

Class I with a starting pay of Rs 45 and Sultan Muhammad Khan the Hindustani and Persian Munshi was placed in Class II on Rs 33 The Munshi's statement that he works for 22 hours a week while the Kannada and Sanskrit Pandit work only for 16 hours a week is substantially true Moreover when there are Hindustani as well as Persian students in the same class he has to teach one set of students out of College hours The Munshi has given complete satisfaction to the Principal of the Maharaja's College and is in his opinion deserving of promotion. He is very painstaking and has been uniformly successful, no pupil of his having failed in Hindustani or Persian within the last six years

From

To

The Secretary to Government
General & Revenue Departments

I have the honor to forward two joint-petitions from the Tamil Pandit and Hindustani Munshi of the Central college stating that they are likely to be superseded by promotions being given to a Munshi or Munshis of the Maharajas College Mysore

The Tamil Pandit Narayanaswami Pillai was first appointed to the Central College from 1st June 1880 so that he has now more than 16½ years service while the Hindustani Munshi was appointed on 1st June 1884 and has therefore now more than 12½ years service Both have discharged their duties with the utmost regularity and efficiency and I should be very much disappointed ~~if these two~~ if these two Munshis of our College

should be superseded in the manner they bear

In the late revision of scale the Sanskrit Pandit and Kannada Pandit of the Maharajas college were raised to the First class and had increments of Rs 11 and 14 respectively given to them, whereas the Tamil Pandit of the Central college whose pay was the same as the Sanskrit Pandit of the Maharajas college got increment of only 2 Rs and the Hindustani Munshi whose pay was 3 Rs above that of the Kannada Pandit of the Maharajas college got increment of 2 Rs so that his pay is now 9 Rs below that of the Kannada Pandit Not only so but the two Central College Pandits are retained in the Second class while the two Maharajas college Pandits have been raised to the First class

Of course I am well aware that our Tamil Pandit and Hindustani Munshi have got fewer pupils to teach than the Sanskrit and Kannada Pandits of the Maharajas college At the same time if the number of

pupils

pupils is taken into account in determining the pay it must be quite excessive that the Tamil Pandit of the Maharajas College should start from Rs 30/ according to the revised scale as the number of Tamil pupils in the Maharajas college can probably be counted on the fingers of two hands and still more disproportionate that the Hindustani Munshi of the Maharajas college should get more than the Tamil Pandit of the Central College.

In these circumstances I respectfully request that the Government may be pleased to sanction the increasing of the pay of the Tamil Pandit and Hindustani Munshi of the Central College on account of their long and excellent service to the maximum of the second class Rs 45/ per mensem as from the 1st of the current month
